

Conclusion

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore—(1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. For the same reason, the FAA certifies that this amendment will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Accordingly, title 32 of the Code of Federal Regulations, chapter 1, subchapter C, is amended to add part 67 to read as follows:

PART 67—EDUCATIONAL REQUIREMENTS FOR APPOINTMENT OF RESERVE COMPONENT OFFICERS TO A GRADE ABOVE FIRST LIEUTENANT OR LIEUTENANT (JUNIOR GRADE)

Sec.

- 67.1 Purpose.
- 67.2 Applicability.
- 67.3 Definitions.
- 67.4 Policy.
- 67.5 Responsibilities.
- 67.6 Procedures.

Authority: 10 U.S.C. 12205.

§ 67.1 Purpose.

This part implements policy, assigns responsibilities, and prescribes procedures under 10 U.S.C. 12205 for determining educational institutions that award baccalaureate degrees that satisfy the educational requirement for appointment of officers to a grade above First Lieutenant in the Army Reserve, Air Force Reserve, and Marine Corps Reserve, or Lieutenant (Junior Grade) in the Naval Reserve, or for officers to be federally recognized in a grade above First Lieutenant as a member of the Army National Guard or Air National Guard.

§ 67.2 Applicability.

This part applies to the Office of the Secretary of Defense, and the Military Departments. The term "Military Department," as used herein, refers to the Departments of the Army, the Navy, and the Air Force. The term "Reserve components" refers to the Army Reserve, Army National Guard of the United States, Air Force Reserve, Air National Guard of the United States, Naval Reserve, and Marine Corps Reserve.

§ 67.3 Definitions.

(a) *Accredited educational institution.* An educational institution accredited by an agency recognized by the Secretary of Education.

(b) *Qualifying educational institution.* An educational institution that is accredited, or an unaccredited educational institution that the Secretary of Defense designates pursuant to § 67.5 (a) and (b).

(c) *Unaccredited educational institution.* An educational institution not accredited by an agency recognized by the Secretary of Education.

§ 67.4 Policy.

(4) Appointed to or recognized in a higher grade if appointed to, or federally recognized in, the grade of captain or, in the case of the Navy, lieutenant before October 1, 1995.

(5) Recognized in the grade of captain or major in the Alaska Army National Guard, who resides permanently at a location in Alaska that is more than 50 miles from each of the cities of Anchorage, Fairbanks, and Juneau, Alaska, by paved road, and who is serving in a Scout unit or a Scout support unit.

(1) Establish procedures in which an unaccredited educational institution can apply for DoD designation as a qualifying educational institution.

(2) Publish in the Federal Register DoD requirements and procedures for an unaccredited educational institution to apply for designation as a qualifying educational institution.

(3) Annually, provide to the Secretaries of the Military Department a list of those unaccredited educational institutions that have been approved by the Department of Defense as a qualifying educational institution. This list shall include the year or years for which unaccredited educational institutions are designated as qualifying educational institutions.

§ 67.6 Procedures.

RIN 2115-AA97

Security Zone: United Nations 50th Anniversary Celebration, United Nations, East River, NY

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a security zone in the waters of the East River, New York. The zone is needed to protect approximately 150 Heads of State and the Port of New York/New Jersey against terrorism, sabotage or other subversive acts and incidents of a similar nature during the United Nations 50th Anniversary Celebration. Entry into or movement within the zone is prohibited unless authorized by the Coast Guard Captain of the Port of New York.

EFFECTIVE DATE: This rule is effective from 7 a.m. on October 22, 1995, until 7 p.m. on October 24, 1995, unless extended or terminated sooner by the Captain of the Port of New York.

FOR FURTHER INFORMATION CONTACT: Lieutenant Commander R. Trabocchi, Chief Planning and Readiness Division, Coast Guard Group New York (212) 668-7934.

SUPPLEMENTARY INFORMATION:

Drafting Information

The drafters of this notice are LCDR R. Trabocchi, Project Manager, Coast

Guard Group New York and CDR J. Stieb, Project Attorney, First Coast Guard District, Legal Office.

Regulatory History

Pursuant to 5 U.S.C. 553, a notice of proposed rulemaking (NPRM) was not published for this regulation. Good cause exists for not publishing an NPRM, and for making this regulation effective less than 30 days after Federal Register publication. Due to the date that specific, detailed information was made available to the Coast Guard concerning the activities of the Heads of State at the United Nations, there was insufficient time to draft and publish an NPRM that allows for a reasonable comment period prior to the event. The delay encountered if normal rulemaking procedures were followed would be contrary to national security interests as immediate action is needed to protect the Heads of State and the Port of New York/New Jersey.

Background and Purpose

The security zone, requested by the United States Secret Service, is needed to ensure the security of the Heads of State while at the United Nations complex in midtown Manhattan, New York. The United Nations complex, situated along the Manhattan shoreline overlooking the East River, will be used for the United Nations 50th Anniversary Celebration from October 22, 1995 through October 24, 1995. There is a significant national security interest in safeguarding the international relations of the United States, the United Nations complex, and the visiting Heads of State. The security zone will safeguard these interests against terrorism, sabotage or other subversive acts and incidents of a similar nature that could initiate on or near the East River. The security zone will close the East River in a northerly and southerly direction, shore to shore, for approximately 2,350 yards. It provides for an exclusionary area in all waters of the East River north of a line drawn between a point at the foot of East 35th Street, Manhattan, New York, at 40°44'36" N latitude, 073°58'16" W longitude (NAD 1983) and Hunters Point, Long Island City, New York, at 40°44'18" N latitude, 073°57'44" W longitude (NAD 1983); and south of a line drawn shore to shore along the Queensboro Bridge inclusive of all waters east and west of Roosevelt Island, New York, from 7 a.m. until 7 p.m. on October 22, 23, and 24, 1995.

The security zone will be reduced in size to provide protection to the waterfront at the United Nations complex from 7 p.m. until 7 a.m. on October 22 and 23, 1995. This

contracted security zone includes all waters of the East River 100 yards off the east shore of Manhattan, New York, between East 48th Street and East 42nd Street. This area is bounded by the following points: from a point at the foot of East 48th Street at 40°45'06" N latitude, 073°57'53" W longitude (NAD 1983); thence southeasterly 100 yards to a point at 40°45'05" N latitude, 073°57'50" W longitude (NAD 1983); thence southwesterly 100 yards to a point off the foot of East 42nd Street at 40°44'51" N latitude, 073°58'01" W longitude (NAD 1983); thence northwesterly to a point at the foot of East 42nd Street at 40°44'52" N latitude, 073°58'05" W longitude (NAD 1983); thence northeasterly along the Manhattan shoreline to the point of origin. The security zone has been narrowly tailored, in consultation with the United States Secret Service, to impose the latest impact on maritime interests yet provide the level of security deemed necessary to safeguard the international relations of the United States, the United Nations complex, and the Heads of State. All vessels are prohibited from transiting within the security zone unless authorized by the Coast Guard Captain of the Port of New York.

Regulatory Evaluation

This regulation is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. It has been exempted from review by the Office of Management and Budget under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979). The Coast Guard expects the economic impact of this regulation to be so minimal that a full Regulatory Evaluation under paragraph 10(e) of the regulatory policies and procedures of DOT is unnecessary. The security zone closes a portion of the East River in the vicinity of the United Nations complex to vessel traffic from 7 a.m. on October 22, 1995, until 7 p.m. on October 24, 1995, unless extended or terminated sooner by the Captain of the Port New York. The East River is subjected to a moderate volume of commercial vessel traffic. Although this regulation prevents vessel traffic from transiting the East River from 7 a.m. to 7 p.m. on October 22, 23, and 24, the effect of this regulation will not be significant for several reasons: the duration of the security zone is limited; recreational and some commercial traffic may take an alternate route via
